Bulelani Soga

Business Information technology graduate with Digital Marketing and Web Development Experience Ready to Revolutionise Your Company's Online Presence

City of Johannesburg, Gauteng, South Africa

Summary

I'm Bulelani Soga, an analytical Business Information Technology student known for achieving outstanding results. My academic journey began at Selpark Primary and continued at Springs Boys High School, where I excelled in diverse subjects, including Mathematics, Sciences, and Languages, graduating with a Bachelor's pass.

With a strong foundation in various disciplines, I'm currently aiming for a junior business analyst role, aspiring to grow into a senior business analyst or Solutions Architect position. Let's connect to explore potential opportunities.
